Dear Parents

Year 11 Careers Aptitude Test

In September boys in Year 11 will have the opportunity to take part in a careers test designed to reveal possible future career paths for your son and to help him with his selection of AS subjects for the Sixth Form.

The programme, known as Preview, is run by COA, who are highly regarded in this field and with whom we have worked for many years. The test will be administered on Tuesday 21 September, taking the full morning to complete. The results will be given in 20 minute personal feedback interviews on Wednesday 13 October and each boy will be given a detailed report to bring home and discuss.

I enclose a leaflet from COA which gives further information. The cost of this programme is £80.

Any parents who receive fee assistance may apply to the Headmaster for proportional assistance for the above cost.

Yours sincerely

Philip Davies
