

## GCSE MODULE RESULTS

**Tuesday 24 August 2010**

1. Year 10 GCSE candidates should come and collect their results between 10.00am and 11.00am.
2. After 11.00am, all results that have not been collected in person (or with a written note of authority by some other relation) will be posted to the pupils, by first class post.
3. **No** results can be given over the telephone for any reason.
4. Options to re-sit the exam can be discussed once the new school year has started; the final deadline for entries for the January 2011 modules is late September. Discuss retakes with your teacher and let him/her know which module you would like to retake.
