

Options Blocks at AS level

I am pleased to be able to report that, based on the preferences given to me earlier, out of 88 proposing to stay on to the sixth form at QEHS next year 67 will be able to study all of their top four subject choices. The others will be able to study three of their top four and one of their reserve choices. I have listed the options blocks below. These will only change if a sufficient number have changed their minds. I would now ask you to choose one subject from each option block and ring it, then hand the form in to your form teacher the morning after the parents' evening, which is during registration on **Wednesday 17th March**.

My apologies to those who cannot arrange their top four subject choices so that one is in each block. Please use the parents evening as your opportunity to discuss possible AS courses with your subject teachers and with me. Should you still have difficulties I am happy to advise on what course of action to follow.
