Yr 11 Parents' Evening Appointments

Dear Parents,

You are invited to meet your son's teachers on **Tuesday 16th March from 5.00 pm until 8.00 pm** in school to discuss his progress in the light of recent internal and external examinations. Additionally, you may wish to discuss your son's choices at AS level. Mr Sykes has produced a diagram of option blocks available for year 12 in September 2010 (enclosed with this letter) and he is asking you to show your preferences on this diagram, for return via your son's form tutor, by Tuesday 16th March, at the latest.

As is our custom we will be operating a system of appointments and therefore ask you to fill in the attached form; please return this by **Friday 5th March at the latest** to your son's tutor. A timetable for your appointments will be sent to you when this has been prepared.

We will try to minimise any delays between appointments as far as possible, and if you have restrictions on the times when you can attend please indicate this in the appropriate place on your reply slip. Some staff teach more than one year 11 group and it might not be possible to timetable all who wish to see them, so please be understanding if a particular member of staff cannot accommodate you. Equally, you might feel that you do not need to see all of your son's teachers.

You might wish to see your son's tutor, but be aware that he will also have appointments to see those they teach and so please only ask to see your son's tutor **if absolutely necessary**. If there are important 'pastoral' issues to discuss, it might be better to make a separate appointment outside the parents evening with either the tutor or head of year.

Your son is also welcome to attend (dress: school uniform) and we usually find it valuable to involve him in the discussions.

We regret that we cannot offer any parking spaces to parents on the school drive. If you require disabled access please phone the office to arrange it. We are, of course, fortunate to be situated across the road from a large multi-storey car park.

We look forward to seeing you on the 16th, for what should be a constructive evening.

Yours sincerely,

R Dixon
Assistant Director of Studies
