

## The Admissions Process into the Junior School for Years 3, 5 & 6

*(There is a separate process for Senior School applications)*

- Step 1** If you are interested in applying for a place for your son for **September 2012**, please contact Carolyn Matthews our Admissions Registrar on 0117 930 3068 or by email: [admissions@qehbristol.co.uk](mailto:admissions@qehbristol.co.uk) . She can also help you through the Admissions process.
- Step 2** We will arrange for application information to be sent to you. This will allow you to:
- apply for the appropriate Year of entry to the school for your son
  - select your preferred date for your son to come into the Junior School for an Assessment (**see dates below**).
- Step 3** **It is important to return the application form and registration fee as soon as possible.**
- Step 4** We will then invite your son for an Assessment Morning for Year 3, or an Assessment Day for Years 5 & 6, in the Junior School. Don't worry, because the Assessments are informal and your son will be relaxed and enjoy his time meeting the boys and staff.
- Step 5** **Entrance Assessments**  
These involve Numeracy, Creative Writing, Reading and Verbal Reasoning.
- **For Year 3** during the week commencing **Monday 27 February 2012**
  - **For Year 5 & 6** on **Thursday 23 February 2012**
- Step 6** We will inform you if your son has been successful or unsuccessful in being offered a place as soon as possible after his assessment.
