Dear Parent/Carer,

Re: Year 5 Trip to a Robotics Workshop, Red Maids Junior School, Monday 15th March 2010

As part of our ICT curriculum, we have been invited to spend the day at Red Maids Junior School on Monday, 15th March, attending a workshop all about Robotics. The workshop is facilitated by staff from the University of Bath and focuses on teaching the boys about programming and controlling robots using Lego 'Robolab' technology, which I'm sure the boys will enjoy! The workshop will also provide the boys with an opportunity to work with the Year 5 girls from Red Maids.

We will spend the whole day at Red Maids, leaving QEJH by coach at 8.45am and returning by 3.45pm. Please can you make sure that your son is at school no later than 8.40am so that we can leave on time. Lunch will be provided at Red Maids.

Please could you complete the attached permission slip so that your son may attend.

Yours sincerely,

Mr Leighton
Year 5 Teacher
