

## **SIBLING DISCOUNT POLICY** **(Senior and Junior Schools)**

(This policy is available on the website or on request)

### **Sibling Discounts**

- A discount of 5% will be applied to the eldest son's fees when a brother joins the school (each pupil effectively receiving a 2.5% discount). A third son will see a 2.5% discount added to the second son's fees, and so on. In this way, a sibling discount ceases when there is only one boy left in the school.
- For the purposes of this policy, two boys are siblings if they have at least one natural parent in common or if one of them has been legally adopted by the natural or adoptive parent of the other.
- Sibling discounts only apply when no boy is in receipt of a scholarship or school assistance.
