

Queen Elizabeth’s Hospital (“QEH”) – COVID-19 Testing Privacy Statement for ATS Testing

Ownership of the Personal Data

To enable the Covid-19 testing to be completed at QEH, we need to process personal data for staff and pupils taking part, including sharing of personal data where we have a legal obligation. QEH is the Data Controller for the data required for processing the Covid-19 tests and undertaking any actions which are needed by the school to ensure we meet our public health and safeguarding legal obligations.

Personal data relating to tests for pupils is processed under article 6 (1) (e) of the UK GDPR (public task). This is based on the school’s proprietor’s official authority for the conduct of the school. Paragraph 7 of the Schedule to the Education (Independent School Standards) Regulations 2014 is also relevant.

Personal Data relating to staff is processed under article 6 (1) (f) of the UK GDPR the legitimate interest of the data controller to ensure we can minimise the spread of COVID in a timely manner and enable us to continue to deliver education services safely and securely.

The following paragraph is relevant to both pupils and staff taking tests.

The processing of special category personal data is processed under article 9 (2) (i) of the UK GDPR, where it is in the public interest on Public Health Grounds. This data is processed under the obligations set out in Public Health legislation (Regulations 3(1) and (4) of the Health Service (Control of Patient Information) Regulations 2002 (COPI)) which allows the sharing of data for COVID related purposes and where it is carried out by a health care professional or someone who owes an equivalent duty of confidentiality to that data.

Data Controllership is then passed to the Department for Health and Social Care (DHSC), when we transfer your personal data, and your test results to them. For more information about what they do with your data please see the Test and Trace [Privacy Notice](#).

QEH remains the Data Controller for the data we retain about you.

Personal Data involved in the process

We use the following information to help us manage and process the tests:

- Name
- Date of birth (and year group)
- Gender
- Ethnicity
- Home postcode
- Email address
- Mobile number
- Unique barcode assigned to each individual test and which will become the primary reference number for the tests
- Test result

- Parent/guardians contact details (if required)

We will only use information that is collected directly from you, specifically for the purpose of the tests.

How we store your personal information

The information will only be stored securely on local spreadsheets called COVID-19 results registers, in school whilst it is needed. It will also be entered directly onto DHSC digital services for the NHS Test and Trace purposes. Schools will not have access to the information on the digital service once it has been entered.

Processing of Personal Data Relating to Positive test results

The member of staff, pupil, student or parent (depending on contact details provided) will be informed of the result by the school and advised how to book a confirmatory test.

We will use this information to enact their own COVID isolation processes without telling anyone who it is that has received the positive test.

The information will be transferred to DHSC, who will share this with the NHS, GPs. Public Health England (PHE) and the Local Government will use this information for wider test and trace activities as well as statistical and research purposes.

This information is processed and shared under obligations set out in Public Health legislation under Regulations 3(1) and (4) of the Health Service (Control of Patient Information) Regulations 2002 (COPI) which allows the sharing of data for COVID related purposes.

The results register will not be shared with any third parties and will be retained for a minimum of 14 days and up to a month after the last entries are made by the school into them.

DHSC will retain information for up to eight (8) years. For more information about what the DHSC do with your data please see their [COVID-19 Privacy Notice](#).

Processing of Personal Data Relating to Negative and Void test results

We will record a negative or void result and the information is transferred to DHSC, NHS, PHE and the Local Government who will use the information for statistical and research purposes.

This information is processed and shared under obligations set out in Public Health legislation under Regulations 3(1) and (4) of the Health Service (Control of Patient Information) Regulations 2002 (COPI) which allows the sharing of data for COVID related purposes.

The results register will not be shared with any third parties and will be retained for a minimum of 14 days and up to a month after the last entries are made by the school into them.

DHSC will retain information for up to eight (8) years. For more information about what the DHSC do with your data please see their [COVID-19 Privacy Notice](#).

Processing of Personal Data relating to declining a test

If you decline a test, we record your decision under the legitimate interest of school in order to have a record of your decisions and to reduce unnecessary contact with you regarding testing.

Data Sharing Partners

The personal data associated with test results will be shared with

- DHSC, NHS, PHE – to ensure that they can undertake the necessary Test and Trace activities and to conduct research and compile statistic about Coronavirus.
- Your GP – to maintain your medical records and to offer support and guidance as necessary.
- Local Government to undertake local public health duties and to record and analyse local spreads.

Your Rights

Under data protection law, you have rights including:

Your right of access - You have the right to ask us for copies of your personal information.

Your right to rectification - You have the right to ask us to rectify personal information you think is inaccurate. You also have the right to ask us to complete information you think is incomplete.
